TE-MX 1600-2 CE Twin

Paint/Mortar Mixer

Item No.: 4258561

Ident No.: 11016

Bar Code: 4006825614558

The Einhell Twin paint and mortar mixer TE-MX 1600-2 CE gets the job done quickly and with minimum effort, thanks to the counter-rotating stirrers. Dynamic speed control prevents speed loss under load (no-load speed in first speed: 180-460 rpm/second speed: 300-750 rpm). The ergonomically shaped handle makes for comfortable operation. The two-speed gearing provides high torque for good mixing results. The shaft mount on the gear neck is provided for stationary operation and the Hex-stirrer tool chuck is of rugged design. For safe and comfortable operation there is a soft start function. The paint and mortar mixer is supplied complete with two stirrers for mortar (Ø 120 mm).

Features

- Counter-rotating stirring tool for quick mixing with min. effort
- Dynamic speed control - zero speed loss under load
- Shaft mount on the gear neck for stationary operation
- Ergonomically shaped handle for comfortable operation
- 2-Speed gearing for high torque and good mixing results
- Softstart function for safe and comfortable working
- Incl. 2 stirring tools for mortar (120 mm diameter)
- Robust Hex-stirring tool chuck

Technical Data

- Mains supply	220-240 V 50 Hz
- Power	1600 W
- Idle speed (gear 1)	180-460 min ⁻¹
- Idle speed (gear 2)	300-750 min ⁻¹

Logistic Data

- Product weight	4.95 kg
- Gross weight single packaging	5.75 kg
- Dimensions single packaging	380 x 300 x 215 mm
- Pieces per export carton	2 Pieces
- Gross weight export carton	18.5 kg
- Dimensions export carton	570 x 340 x 440 mm
- Container quantity (20"/40"/40"HC)	540 1140 1340
