

TE-LL 360

Cross Laser Level

Item No.: 2270110

Ident No.: 11016

Bar Code: 4006825616248

The Einhell cross laser level TE-LL 360 is an ideal tool for installation, renovation and laying jobs. The horizontal 360° laser line makes easy work of aligning objects to the same level in rooms. The TE-LL 360 projects a horizontal and a vertical laser line, is self-leveling and has an LED for warning the user if the angle deviates by more than four degrees. The self-leveling time is five seconds. The TE-LL 360 can also be used as a digital spirit level. For use with a tripod there is an integrated 1/4" thread. Comfortable to handle thanks to a soft grip. Complete with a height-adjustable wall bracket for working comfort and a practical bag for storage.

Features

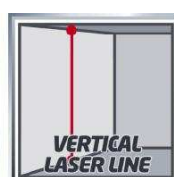

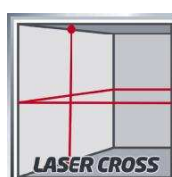

- Easy projection of a laser cross
- Horizontal 360° line for easy alignment of objects
- Projection of a horizontal and/or a vertical laser line
- Self-leveling (LED warning if the inclination is more than 4°)
- Integrated 1/4" thread for use with a tripod
- Can also be used as a digital spirit level
- Comfortable handling thanks to the soft grip
- Complete with height-adjustable wall bracket for working comfort
- Complete with a practical bag for storage

Technical Data

- Working Range	20 m
- Laser class (horizontal)	II
- Laser diode (horizontal)	650 nm
- Laser class (vertical)	II
- Laser diode (vertical)	635 nm
- Auto-leveling time	5 s
- self-leveling range	4 °
- Accuracy	0.4 mm/m
- Tripod thread	1/4"

Logistic Data

- Product weight (kg)	0.27
- Gross weight (kg)	0.56
- Pieces per export carton	8 Pieces
- Gross weight of export carton	9.6 kg
- Dimensions export carton	515 x 305 x 270 mm
- Container quantity (20"/40"/40"HC)	4864 9728 10944
